**Energize Connecticut Center Kicks-Off Its
Family Night Series with a PJ and Movie Night**

Free fun and entertaining monthly events educating children and parents about energy and the environment

NORTH HAVEN, Conn. – Jan. 4, 2017 – On Friday, January 20, the Energize Connecticut Center invites children and their families to escape the cold and enjoy a screening of the popular Disney/Pixar film, *WALL-E* for its first ever Family Night event. The event will take place from 6 to 8 p.m. at the Center, 122 Universal Drive North, North Haven (next to Panera Bread in the Target Plaza). It is free of charge and open to the public.

WALL-E portrays a future where mankind has abandoned Earth because it is covered in trash and devoid of plant and animal life. After the movie, children can help build a robot out of recycled materials and see real robots in action.

All are encouraged to wear their most comfortable lounge wear or pajamas while watching the movie. Refreshments including hot chocolate and popcorn will be served.

The Energize Connecticut Center's Family Night Series is designed to provide entertainment for children of all ages and their families while simultaneously educating them on the impact our energy consumption has on the planet, and ways to be more energy efficient. The next events will be a STEM night on February 10 and a "Go Green" craft night on March 17.

For more information or to reserve your spot for these events, please contact Alysse Rodrigues, 203-799-0460, arodrigues@crec.org.

About the Energize Connecticut Center

The Energize Connecticut Center is the only place in the state that provides children and adults with a hands-on learning experience to discover the important role that energy plays in our daily lives – free of charge. Its interactive exhibits and state-of-the-art displays showcase different energy sources, demonstrate how we use energy, and convey the benefits of smart energy choices, including cost savings, comfort, convenience, sustainability, and environmental impacts.

Open to visitors of all ages, the Energize Connecticut Center is professionally staffed with energy experts to help you learn about the latest energy efficient and renewable energy ideas and technologies. For more information, please visit EnergizeCT.com/center or call 203-799-0460.

Empowering you to make
smart energy choices

About Energize Connecticut

Energize Connecticut helps you save money and use clean energy. It is an initiative of the Energy Efficiency Fund, the Connecticut Green Bank, the State, and your local electric and gas utilities, with funding from a charge on customer energy bills. Information on energy-saving programs can be found at EnergizeCT.com or by calling 1.877.WISE.USE.
