

# 2022 Advanced Duct Sealing Rebate Application

ENERGIZE CONNECTICUT

Valid for residential Eversource or United Illuminating (UI) residential customers (Customer) that have heating and/or cooling systems with new or existing ductwork present. A TrueFlow® test is required for all systems listed as part of this rebate. The TrueFlow® test results must be within 10% above or below 300 CFM/Ton. All Advanced Duct Sealing (ADS) Rebate Applications (Application) with required documentation must be postmarked no later than March 31, 2023. Total incentive cannot be more than 100% of the total cost of the qualifying ADS service. If Customer received ADS services through the Home Energy Solutions or Home Energy Solutions-Income Eligible programs, they are not eligible for this rebate. ADS must be performed by a licensed contractor who is certified by the manufacturer for the product being installed.

## TERMS AND CONDITIONS

**ELIGIBILITY:** Incentives are available to Eversource or United Illuminating (UI) (Companies) residential electric service customers (Customer). Equipment must be installed by a licensed contractor who is certified by the manufacturer for the product being installed. Eligible systems are: **heating and/or cooling systems with new or existing ductwork present.**

**APPLICATION OFFER:** This Advanced Duct Sealing program (Program) covers products or services purchased on or after January 1, 2022 and installed by December 31, 2022 to be eligible for the rebate. Details of this Program, including rebate incentive levels, are subject to change or cancellation without prior notice. This Advanced Duct Sealing Program application (Application) with required documentation must be postmarked by March 31, 2023. Please call 1-877-WISE-USE (877-947-3873) for details.

**PROOF OF PURCHASE:** A contractor's invoice itemizing the purchased price, number of systems, date of purchase, and your recent electric utility bill must accompany each Application.

**APPLICATION:** This Application must be filled out completely, truthfully and accurately. The Customer and contractor must each sign the completed Application and it must be submitted along with the PROOF OF PURCHASE requirements listed above.

**PAYMENT:** Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Application. Please call EFI at 1-877-364-4217 if you have any questions about your rebate incentive.

**APPROVAL AND VERIFICATION:** The Companies reserve the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this Program prior to issuing incentives for up to one year after date of Application. The customer also grants the Companies the right to confidentially share account number information internally for rebate processing procedures only.

**TAX LIABILITY:** The Companies will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebate incentives.

**ENDORSEMENT:** The Companies do not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

**LIMITATION OF LIABILITY:** The Companies' liability is limited to paying the rebate incentive specified. The Companies are not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

**WARRANTIES:** THE COMPANIES DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The Companies make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the heating and/or cooling system or services provided by a manufacturer, contractor or vendor. Contact your contractor for details regarding equipment performance and warranties.

**CUSTOMER'S CERTIFICATION:** Customer certifies that he/she has purchased and installed the equipment listed on the other side of this Application at the defined location. Customer agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

**FORWARD CAPACITY MARKET AND CLASS III CREDITS:** By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its Participating Utility, either Eversource or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which Customer is eligible) and that are associated with or applicable to customer's participation in the Ductless/Ducted Split Heat Pump Incentive Program. Customer hereby assigns to either Eversource or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either Eversource or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUC", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, as supplemented by the Department February 11, 2010 decision in Docket No. 05-07-19RE02, customer is not to receive or retain any Class III renewable energy credits in connection with the Ductless/Ducted Split Heat Pump Incentive Program and Customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their customers through Energize Connecticut. In the event that the Authority amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either Eversource or UI (as the case may be) shall be the allocation in effect (per the applicable Authority decision) on the date that the Customer submitted its Incentive Application documents to either Eversource or UI (as the case may be).

Customer further acknowledges and agrees that Customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to customer's participation in the Ductless/Ducted Split Heat Pump Incentive Program and any and all such benefits or credits shall be retained by either Eversource or UI (as the case may be) for the benefit of their customers through Energize Connecticut.
